RATE SCHEDULE EHI (ELECTRIC HEAT)

Electric Heat Rate
Effective September 1, 2010

CLASS OF SERVICE

All electric heating rates.

AVAILABILITY

Available to Burke-Divide's residential and commercial members with electric heat installations which meet the eligibility requirements. This rate is applicable from October 1 through May 1.

TYPE OF SERVICE

Alternating Current, 60 Hz, single or three phase electric

ELIGIBILITY REQUIREMENTS

- The member's electric heating installation must be a permanent electric resistance and/or a heat pump space heating system.
- The electric space heat must be separately sub-metered. Burke-Divide will furnish and install the metering equipment. The qualifying member will furnish and have installed at their expense any wiring necessary to permit the sub-metering of the entire electric heat load. Burke-Divide furnished metering equipment will be an external installation.
- Burke-Divide and its power supplier reserve the right to inspect all electric heat installations and associate metering installations.

RATE

Base Rate:

- Base rate shall be \$3.00 per sub-meter per month applicable during the heat rate season
- Base rate shall be \$3.00 per direct wired meter per month

KWH Rate:

- The Energy Charge for all services registered on the heat meter is \$.044 per KWH per month.

TERMS OF PAYMENT

Meters are read by the cooperative on the first of the month and current bill shall be paid by the first of the following month to avoid penalties. Commercial heat installations will be billed accordingly to the rate class associated with the specific account. This rate is in effect from October 1 through May 1. The rate may be extended for a longer period depending on Burke-Divide's power supplier's position.
