RATE SCHEDULE MV
Mercury Vapor Yard Lighting
Effective June 1, 2008

AVAILABILITY

Available to any member of the Cooperative. Subject to the rules and regulations of the Cooperative.

RATE

- 175 watt unmetered lights - \$7.30 per month
- 175 watt metered lights - \$2.70 per month

CONDITIONS OF SERVICE:

- The Cooperative will make the installation, retain ownership, maintain and repair lighting unit.
- In the event a transformer must be installed to provide secondary voltage, the regular minimum charge of \$16.20 per month will be made, plus the above rate.
- If the member desires the light located at a location other than on the Cooperative meter pole serving the member, the member shall pay the cost of labor and materials for installing whatever additional units are required to install the light at the desired location.
- In the event a light is installed on a pole not owned by the Cooperative, the Cooperative will make the determination if the condition of the pole is safe to climb prior to installation of light.

TERMS OF PAYMENT

- Due and payable upon receipt of bill.
- Rented lights must be paid for each month or they will be removed. A subsequent installation of a rented light fixture after being removed shall be made only if an installation fee of \$15.00 is paid in advance by the consumer.
